*LaserLinc is a leader in open, scalable measurement and process control solutions that adapt to the way you work. Our non-contact systems are used for in-process and off-line dimensional measurement across a variety of industries to improve product quality, increase productivity, elevate production efficiencies and reduce material costs and scrap.*

**About WCISA®, Wire and Cable Industry Suppliers Association®**

WCISA is a nonprofit corporate membership association of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based in or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active in wire and cable trade events and conferences throughout the world, in varying capacities, including as an exhibitor, supporter, sponsor and outing organizer. WCISA also awards scholarships to employees and dependents of member companies as well as partner associations. For details on WCISA member companies, exhibits, outings, and scholarships, visit [www.wcisaonline.org](http://www.wcisaonline.org).

Sincerely,

Mike McNulty,  
WCISA® Executive Director
