RE: WCISA Scholarship Announcement; 2007-2008 Academic Year

WCISA is pleased to announce the winners of two WCISA Scholarships for the 2007-2008 Academic Year:

Benjamin Scadding and David Scadding, the sons of Phil Scadding, Market Manager for Teknor Apex Company, TPE Thermoplastic Division, Pawtucket, RI, USA. Both students will begin pursuing degrees in education this fall, Benjamin at Keene State College and David at the University of New Hampshire. The value of each scholarship is \$1000.

The WCISA Board of Directors extends congratulations to Benjamin and David on their fine accomplishments in high school, and shares its best wishes for success in college.

WCISA grants scholarships annually in order to improve educational opportunities for academically qualified college students who have financial need and are a child or stepchild of an employee at a WCISA member company.

Applications for WCISA Scholarships for the 2008-2009 Academic Year must be postmarked by April 30, 2008.

WCISA is a nonprofit corporate membership organization open to North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. Visit [www.wcisaonline.org](http://www.wcisaonline.org) for details.
