RE: New WCISA Members: EMD Performance Materials & Govmark Testing Services

WCISA is pleased to announce two new member companies:

EMD Performance Materials

One International Plaza, Suite 300
Philadelphia, PA 19113 USA
Phone & Fax: 912-596-7787

www.emd-pm.com

Matthew Gailey, Technical Manager: Laser Additives, Americas, matthew.gailey@emdgroup.com

With the help of laser radiation, products of the Iriotec[®] 8000 Series from EMD Performance Materials enable the marking of plastic and powder coated surfaces – fast, accurate, forgery-proof and razor-sharp. Serial numbers on electronic components, making wire and cables markable with laser light, or conductive paths on 3D MIDs: Iriotec[®] 8000 products fulfill the highest requirements on high-tech laser applications.

Govmark was founded in 1971. We occupy 17,000 ft² in Farmingdale, NY, USA. Govmark Testing Services specializes in fire testing to determine product conformity to code requirements. Approximately 4,000 ft² is devoted to wire and cable fire testing, both U.S. and international standards. Amongst other tests, we perform IEEE-383, IEEE-1202, and most of the UL tests. We pride ourselves on our quality performance and prompt service.

WCISA is a nonprofit corporate membership organization of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. WCISA also offers three types of scholarships to its member companies. Details and a member list can be found at www.wcisaonline.org.
