Gillies Technologies, LLC is a USA-based company in that is in partnership with the RSD Group, offering worldwide support in customized contact printing and non-contact marking solutions for the wire and cable, hose and tubing industries. In addition, W. Gillies Technologies, LLC specializes in the manufacture of engraved printing rollers designed for use in a variety of industries.

WCISA is a nonprofit corporate membership organization of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing member companies with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active, both as an exhibitor and supporter, in wire and cable trade events and conferences throughout the world. WCISA also offers three types of scholarships to its member companies.

Details and a member list can be found at [www.wcisaonline.org](http://www.wcisaonline.org).
