Blachford has been supplying the Global Wire Drawing Industry and many of the world's largest wire drawing companies since the 1950's with cost effective, meticulously researched, and innovative wire drawing lubricant programs that are tailored to the exacting technical specifications of our customers' processes.

Our in-field engineers and experienced R&D team work closely with customers to fully understand each application's technical requirements. Then, working together; our Customers, In-field Engineers and Blachford's R&D team design products and programs that meet our customer's goals.

At Blachford we are dedicated in our commitment to consistent and reliable product quality. Dr. John Blachford, our owner, is well known throughout the chemical industry for his promotion of Responsible Care® and the necessity for his companies to act as responsible corporate citizens. Our team is committed to working with our customers to ensure optimum product performance and to use our products in a responsible way.

About WCISA®, Wire and Cable Industry Suppliers Association®

WCISA is a nonprofit corporate membership association of North American suppliers of machinery, materials and accessories used for making all types of wire and cable. Members are based in or have an established subsidiary in North America. WCISA's mission is to promote its member's products and services by providing its members with representation, networking/social opportunities and services at wire and cable trade events and conferences. WCISA is active in wire and cable trade events and conferences throughout the world, in varying capacities, including as an exhibitor, supporter, sponsor and outing organizer. WCISA also awards to scholarships to employees and dependents of member companies as well as partner associations. For details on WCISA member companies, exhibits, outings, and scholarships, visit www.wcisaonline.org.

Sincerely,

Mike McNulty,
WCISA® Executive Director
